◀ 526952
A short, effective all-round brush, gives excellent cleaning results due to the density of flagged filaments. The rubber edging reduces damage to surfaces.

◀ 475552
An effective all surface brush, gives excellent cleaning results due to the density of flagged filaments. The rubber edging reduces damage to surfaces.

◀ 526852
The easily adjustable brush head and the angled filaments ensure effective cleaning in awkward to reach areas. The rubber edging reduces damage to surfaces.

◀ 475752
A long and effective all surface wash brush, offers increased productivity over larger areas. The rubber edging reduces damage to surfaces.

◀ 524752
High/low brush. The brushes angled shape means that the bristles are constantly in touch with the surface. The rubber edging reduces damage to surfaces.

◀ 061552
Practical wall bracket - large and small brushes, handles, etc. hang securely on this multiple wall bracket. Constructed on the lego principle.

▶ 310652, 310852
A solid brush which is equally suited for vehicle interiors and garages. Designed to remove wet and oily dirt. The brush is available in 30 or 40 cm sizes.

▶ 311552, 311752
A general purpose broom for dry, wet and oily areas. Available in a choice of 40 or 63 cm sizes, the broom fits on all handles.

▶ 708852-40
▶ 708852-60
This highly effective squeegee has an oil resistant rubber and removes all excess floor liquids. Available in two lengths of 40 cm and 60 cm.

▶ 709152
The Lustre cloth is ideal for cleaning glass, windows, mirrors and other smooth surfaces. Does not require any cleaning agents - just spray the selected surface with water and wipe clean.

▶ 709252
The Lustre cloth is ideal for cleaning glass, windows, mirrors and other smooth surfaces. Does not require any cleaning agents - just spray with water and wipe clean. Polishes without leaving any fibres or stripes.

▶ 709052
The Cleaning sponge with microfibre is ideal for cleaning vehicles - either for external or internal use. Can be used wet, damp or dry on nearly all washable surfaces. Effective for applying and removing wax polish.

▶ 522752
A short handled hand brush. Suitable for light vehicle cleaning.

▶ 524652
The ultimate ergonomic hand brush for vehicle cleaning which combines handgrip, angled filaments and a rubber edged nose to protect vehicles paintwork.

▶ 525452
An exceptional vehicle hand brush with water channel and special VTS filaments. Perfect for washing cars and light vehicles. Has a garden hose connector.

▶ 450252
▶ 558552
This slimline hand brush removes all dust and loose dirt. Designed for use with the metal dustpan which withstands hot ash.

▶ 450052
Indispensable for long distance drivers, this effective upholstery brush cleans coach seats and driver's cabins. The handle is shaped to the contours of the hand for quick and comfortable cleaning.

▶ 521152
Campaign box; VTS textiles. Contains 1 universal cloth, 1 lustre cloth and 1 spray bottle for water.

▶ 525252
Multi-purpose brush with rubber edge to reduce damage to surfaces. Good for small cleaning tasks and for cleaning wheel rims.

▶ 525352
A special rim brush made of rubber covered wire (to protect the rim from scratches) allows intricate cleaning of otherwise unreachable parts narrow at the top and wide at the bottom.

▶ 522252
A long handled multi purpose brush for vehicle washing. Ideal for use in petrol stations.

▶ 631552
This versatile, compact, retractable soft brush will remove dust and small, dry dirt particles from vehicle dashboards, switches, dials and air vents. Can also be used for cleaning onboard systems such as laptop keyboards.

▶ 545252
This large wheel cleaning brush with its angled soft and split filaments cleans wheels, tanks and under carriages of commercial vehicles. It is designed to fit all VTS handles.

▶ 292513552
Wooden handle, black, 1350 mm
▶ 292515552
Wooden handle, black, 1550 mm
▶ 293752 Aluminium handle with ergonomic grip, 1540 mm

▶ 535252-300 - Handle
▶ 537252-80 - Pipe brush
Flexible rim brush. Consists of two parts; a twisted rim brush with polyester filaments and a handle in stainless steel covered with protective plastic coating.

▶ 525052
Soft rim brush with natural filaments. Cleans safely aluminium rims and is very gentle to chrome-plated rims. The filaments will cause a minimum of splashes of water during use.

▶ 525152
Rim cleaner with nylon scouring bristles. Cleans aluminium rims efficiently and safely.

▶ 545252
This large wheel cleaning brush with its angled soft and split filaments cleans wheels, tanks and under carriages of commercial vehicles. It is designed to fit all VTS handles.

▶ 299152 Aluminium waterfed handle, 1540 mm
▶ 299152Q Aluminium waterfed handle with quick coupling, 1540 mm
▶ 299252 Aluminium waterfed handle, 1020 mm
▶ 299252Q Aluminium waterfed handle with quick coupling, 1020 mm
▶ 299752 Aluminium waterfed handle, 1900 mm
▶ 299752Q Aluminium waterfed handle with quick coupling, 1900 mm
▶ 297352 Telescopic waterfed handle, 1600-2900 mm
▶ 297352Q Telescopic waterfed handle with quick coupling, 1590-2880 mm
▶ 297552 Telescopic handle 1630-2750 mm
▶ 299552Q Aluminium waterfed handle with on/off grip, 1630 mm
▶ 297152 Telescopic waterfed handle, 1000-1600mm
▶ 297152Q Telescopic waterfed handle with quick coupling, 1000-1600mm

▶ 473752 - 500 mm handle
▶ 473352 - 700 mm handle
▶ 473552 - 1.000 mm handle
This complete windscreen cleaning tool combines sponge and scraper for total insect removal. Ideal for use in petrol stations.

▶ 473952
A telescopic handled windscreen cleaner which quickly cleans insects from buses and trucks. The handle extends to 1.25 m.

▶ 707752 - 25 cm
▶ 707852 - 35 cm
▶ 707952 - 45 cm
Wipe-N-Shine. An efficient way of removing water and calcium spots from the car's paintwork. Gentle on paintwork and windows. Fits all Vikan handles.

▶ 550052, 552552
A quick and simple device for easy removal of insects from windcreens. The swivelhead pad holder and non-scratch pad dramatically reduce cleaning time and protect against windscreen scratching.

▶ 521152
Campaign box; VTS textiles. Contains 1 universal cloth, 1 lustre cloth and 1 spray bottle for water.

▶ 644052
